About Us

Squier Photography is owned and operated by Adam and Lynn Squier. Adam is our primary photographer and Lynn does a lot of the behind the scenes work. We are a home based studio in Dublin, OH.

We are passionate about our work, and love what we do! If we could choose anything in the world to do, this would be it! Our goal is to preserve your memories. Not to create them -- that's your job. We're here to help you remember them forever.

FAQ

We work by appointment only, so please call us at 614-798-0189 to schedule your appointment.

Try not to schedule appointments during your children's nap times, meal time or crabby times!

Feel free to bring snacks, bottles, sippy cups, etc. to help keep your child happy. You may also wish to bring a special toy, blanket, rattle, etc. for your child. We encourage you to personalize your session however you want!

We gear our sessions around the younger members of the family and will take breaks when they need it.

We accept cash, checks, Visa, Mastercard, American Express and Discover. (We don't keep much change around, so please keep that in mind if paying with cash)

Appropriate Sales tax will be added to all prices.
